

CRS PTA RETURNED CHECK POLICY

Sometimes, checks bounce! Mistakes happen...we've all been there! But as PTA volunteers, we sometimes find ourselves in the uncomfortable position of having to follow up on returned checks with our fellow CRS families. This year, we want to make our returned check policy clear to all!

In the event that a check is returned, the payer will be responsible for providing timely payment in the expected amount, along with the \$25 returned check fee. CRS PTA will reserve the right to take appropriate measures when returned checks go unpaid.

With proper resolution, each payer will be allowed two returned checks, after which payment by check will not be accepted (cash and certified fund payments will be allowed).

**THANK YOU FOR UNDERSTANDING &
SUPPORTING OUR PTA!**
