#### August 2019

#### To our CRS Community:

A warm welcome our new and returning families and faculty to Colonial Road School. As we begin a new school year, a song of the summer comes to mind "I'm on Top of the World" by Imagine

Dragons. For our PTA Board, this is our anthem for the 2019 – 2020 school year and we hope it helps inspire the CRS PTA community.

One of the lyrics in our rallying cry is "You can have it all but not til you move it". We need your help to "move it" and make this a fantastic year for our students and faculty. Please join the PTA, attend our meetings, share your time, talents and volunteer, and support our fundraisers.

Inside the Back to School Packet, you will find key dates for the school year and forms you need to complete prior to the beginning of school. We are so excited about the great things in store for our CRS PTA community:

- Assembly programs to enhance our children's curriculum and that support our District's goal of mindfulness and wellbeing.
- Family fun events including movie night showing "The Kid Who Would Be King" in the backyard at CRS, the Halloween Bash, ice skating at the Ice Vault, snow tubing at Campgaw, Bingo Night, and the Year End Bash.
- Free pizza to help kick off the school year.
- Events to bring our community together, like the Back to School Coffee, the Parent Back to School Social, and Ladies Night Out.

Looking forward to making memories with you all this year! We want you and to feel like you are On Top Of the World with us this year! Join us! See you on the FIRST day of school on September 5<sup>th</sup>!

August 12, 2019

Dear CRS Families,

I am hopeful that your family is having a wonderful summer, and that you have had many moments to make some wonderful memories over the past few months. While we still have more weeks ahead to enjoy, it somehow seems that very soon we will reopen our doors and welcome you and your family to the 2019-2020 school year.

At this point in order to best prepare for a successful school year, I wanted to share the following information with you and your children. In late August, you will receive a more detailed e-blast with information about your child's class placement, among other pertinent communication. However please see below for a few time-sensitive pieces of information.

First, school will begin for students on Thursday, September 5th at 8:45 AM. Opening day is a half day, which means that all students will be dismissed at 1:00 pm. On this day students should come to school with a snack as lunch is not served on half days.

Mark your calendars! CRS's Back To School Night is scheduled for Thursday, September 26th at 7:00 P.M. This is an important evening that will contribute to a successful school year. I look forward to seeing you at Back to School Night.

Lastly as I close I would like to send a very sincere thank you to our new PTA Executive Board members: President- Mrs. Gina Smedley/ Vice Presidents- Mrs. Maneet Kaur & Mrs. Chela Papaccioli Treasurer-Mrs. Candice Lim/Recording Secretary-Mrs. Tricia Gerdeman/ Corresponding Secretary-Dr. Melissa Grafman.

At CRS in the past we have been blessed to have a PTA Executive board that has worked tirelessly to allow our school community to flourish. Thank you to the women above for your diligence and dedication to sustaining this partnership.

Wishing you a wonderful rest of summer.

Warmly,

Mrs. Christine Gagliardo

## Welcome Back! from the Health Office

September is rapidly approaching, and as unhappy as I am to see summer draw to a close, nothing will make me happier than seeing the smiling faces of all of your children arriving for their first day of school. Their enthusiasm and excitement are absolutely contagious.

Speaking of contagious, a few "Healthful" reminders:

- \* All immunization and physical Examination records for new students are due in my office before school starts. New students cannot begin school without this.
- Doctors orders are needed for any medications that are to be dispensed out
  of the Health Office. Please remember, I cannot give <u>ANYTHING</u> to your
  children, including Tylenol or eye drops, without a written order from their
  pediatrician. It is extremely helpful to get me any orders and medications
  before school starts.
- If your child will be absent from school, please call or email the Health office and leave a detailed message with the reason for their absence. State law requires me to call home if we have not been given notice of a child's absence.
- Colonial Road School is a "Nut Aware" building meaning no nuts or products produced in a facility with nuts are allowed in any of the classrooms. All food must be labeled as such.

Please remember I am always available with any questions or problems that you may have. Enjoy the rest of the summer!

#### CRS PTA RETURNED CHECK POLICY

Sometimes, checks bounce! Mistakes happen...we've all been there! But as PTA volunteers, we sometimes find ourselves in the uncomfortable position of having to follow up on returned checks with our fellow CRS families. This year, we want to make our returned check policy clear to all!

In the event that a check is returned, the payer will be responsible for providing timely payment in the expected amount, along with the \$25 returned check fee. CRS PTA will reserve the right to take appropriate measures when returned checks go unpaid.

With proper resolution, each payer will be allowed two returned checks, after which payment by check will not be accepted (cash and certified fund payments will be allowed).

## THANK YOU FOR UNDERSTANDING & SUPPORTING OUR PTA!

Dear Friends of FLEF,

It is with great pleasure that we welcome back our returning students and families to school and also extend a very heartfelt welcome to our new Franklin Lakes families. We hope that your child's educational experience proves to be rewarding, exceptional and everything that you have imagined for your child.

FLEF has collaborated with parents, teachers and administrators over the past 30 years to enrich and enhance the quality of education in the Franklin Lakes Pre-K through 8th grade public schools, beyond the limitations of the Franklin Lakes Board of Education budget.

A few examples of programs/items that FLEF has funded in recent years have been:

- iPads and Kindles at each of our schools
- Assemblies focusing on culture and wellness, such as the Circus Around the World and HealthBarn assemblies
- Community Based Instruction for students with autism
- Orff Instruments & SmartMusic
- FAMS Living Lessons, FAMS Rocks and the FAMS Garden
- Equipping each school with Digital Projection Systems
- Story Pirates
- The Mighty Fingers Program
- And, upgrades to School Security at all 4 of our district schools

These grants are funded through the support of parents, teachers, administrators and friends who have attended our various fundraising events, purchased 50/50 raffle tickets, and/or have donated to our events.

We look forward to working with you in the future and hopefully seeing you at our **joint Rec/FLEF RectoberFlef event on October 19, 2019, our FLEF Dinner Dance on April 25, 2020** and/or one of our other fundraising events.

For further information please visit our website at <a href="www.flef.net">www.flef.net</a> You can also follow us on Facebook and Instagram.

We look forward to partnering with you for a successful school year and thank you for your support!

Sincerely,
The FLEF Trustees
