August 2020

To our CRS Community:

A warm welcome our new and returning families and faculty to Colonial Road School. As we begin a new school year, a song of the summer comes to mind "Best Day of My Life" by the American Authors. For our PTA Board, this is our anthem for the 2020 – 2021 school year and we hope it helps inspire the CRS PTA community. One of the lyrics is our rallying cry this year: "Everything is looking up, everybody up now, this is gonna be the best day of my life". We need your help to make this the best and most fantastic year for our students and faculty.

Everything we do is based on volunteers and we are looking to you to help make a difference. We encourage you get involved and join the PTA! Volunteer your time, share your talents, attend our meetings, donate what you can, jump in and help support our fundraisers. We are all busy but finding a little time to help contribute to your child's educational experience will be rewarding for you and for them.

Inside the Back to School Packet, you will find key dates for the school year and forms you need to complete prior to the beginning of school. We are so excited about the great things in store for our CRS PTA community.

We hope you will share your ideas and help make this a wonderful year at CRS. You can always reach us at crs.franklinlakes@gmail.com or check out our web site at colonialroadschoolpta.org or find us on Facebook (crspta).

Thank you for supporting our efforts to make every child's potential a reality. Looking forward to making wonderful memories with you and your families this year. See you on the **FIRST** day of school on **September 8th**!

CRS PTA MEMBERSHIP FORM | Join Today!

We all are the CRS PTA - Parents, guardians, teachers and staff. Your annual membership helps support all that we do. Each year, CRS PTA donates extensively to provide classroom supplies, books, media and technology to our school. We plan and fund all school assemblies, a full-day Education Day, book fairs, amazing family events and so much more! As a PTA member, we encourage you to lend your talents to benefit our children: serve on committees, attend PTA meetings, vote on decisions and share your ideas. We need you!

Please send in your completed form with payment (checks payable to CRS PTA) by

Friday, October 2nd

CRS PTA RETURNED CHECK POLICY

Sometimes, checks bounce! Mistakes happen...we've all been there! But as PTA volunteers, we sometimes find ourselves in the uncomfortable position of having to follow up on returned checks with our fellow CRS families. This year, we want to make our returned check policy clear to all!

In the event that a check is returned, the payer will be responsible for providing timely payment in the expected amount, along with the \$25 returned check fee. CRS PTA will reserve the right to take appropriate measures when returned checks go unpaid.

With proper resolution, each payer will be allowed two returned checks, after which payment by check will not be accepted (cash and certified fund payments will be allowed).

THANK YOU FOR UNDERSTANDING & SUPPORTING OUR PTA!

Help CRS reach our goals!

Dear Friends of FLEF,

It is with great pleasure that we welcome back our returning students and families to school and extend a very heartfelt welcome to our new Franklin Lakes families. We hope that your child's educational experience proves to be rewarding, exceptional, and everything that you have imagined for your child.

FLEF has collaborated with parents, teachers and administrators over the past 30 years to enrich and enhance the quality of education in the Franklin Lakes Pre-K through 8th grade public schools, beyond the limitations of the Franklin Lakes Board of Education budget. To date, FLEF has contributed over \$2,000,000 towards innovative educational programs.

A few examples of programs/items that FLEF has funded in recent years have been:

- iPads and Kindles at each of our schools.
- Music Department Performance Equipment, including Ukuleles.
- Flexible Seating for a Flexible Mindset.
- STEM Lab Makerspace Carts and Trotec Speedy 300 laser engraver.
- FAMS Living Lessons, FAMS Rocks & FAMS Garden.
- Assemblies on culture and wellness, such as the Circus Around the World and HealthBarn assemblies.
- The Mighty Fingers Program.
- One Book One School Program.
- Perseverance Park
- Equipping each school with Digital Projection Systems.
- And, one of our most recent grant for (upgrades to) School Security at all 4 of our district schools.

These grants are funded through the support of parents, teachers, administrators and friends who have attended our various fundraising events, purchased 50/50 raffle tickets, and/or have donated to our events.

We look forward to working with you in the future and hopefully seeing you at one of our events! For more information, please visit www.flef.net.

Sincerely, FLEF Trustees

REC & PARKS

The Franklin Lakes Recreation and Parks Department, is committed to providing our residents, both the young and the young-atheart, with programs and facilities that foster a sense of community, sportsmanship, and well-being.

Dina Robinson is the Community Director responsible for recreation sports, wellness programming, park development and all events held by the town.

Recreation activities are developed to be safe, fun, and healthy for all children. The Recreation department promotes the value and importance of sports and physical activities in the emotional, physical, social, and mental developments of our youth. Participation in sports and activities helps to develop important character traits and lifelong values. If the adults involved have proper training and information, the lives of our youth can be positively impacted by participation in sports and physical activities.

MAYORS WELLNESS CAMPAIGN

The Mayors Wellness Campaign coordinates programs throughout the year that are designed to promote healthy activities and well-being in the Franklin Lakes community. The goal of this campaign is to increase opportunities for residents of all age groups, from youth to seniors, to participate in physical activity with a long-term goal of improving health.
